

What is the Jewish Federation of Greater Atlanta?

About the Jewish Federation of Greater Atlanta

Since 1906, the Jewish Federation of Greater Atlanta has been the philanthropic heart and soul of the metro Atlanta Jewish community. In a post-October 7th world with heightened antisemitism and anti-Israel sentiment, we are more committed than ever to providing a warm and welcoming community to Jewish professionals, families, and individuals of all Jewish backgrounds and affiliations. To support our strong and growing community, we provide funding to Jewish organizations and initiatives that serve the needs of every stage of life. We are the convener of the local Jewish community and are dedicated to fostering collaboration and partnership, ensuring that Jewish education, community, experiences, and more are accessible to all. Our work doesn't stop in Atlanta; we work closely with partner organizations in Israel and other international Jewish communities to build a thriving, secure, and sustainable Jewish future.

Our Vision

A thriving and connected 21st Century Jewish Atlanta where every Jew and their loved ones can access a warm and caring Jewish community, timeless Jewish wisdom, global Jewish peoplehood, and Jewish ways to do good in the world. We value compassion, diversity, generosity, a commitment to Jewish values, a strong connection and support of Israel, and a deep care for global Jewry.

A Mission to Lead, Serve, and Engage

Federation has evolved from being primarily a fundraising organization to the convener of a dynamic Jewish ecosystem. Our mission is expansive — to lead and engage all Jews and their loved ones. Across this sprawling metro area, we are here to plan for the community's future, to rise up to meet the human needs of our people in Atlanta and around the world, and to amplify Jewish Atlanta's incredible assets. We see ourselves as philanthropic champions for the Jewish community with the potential to influence and direct generosity and investments — we want to do big things in Atlanta!

"The Jewish Federation of Greater Atlanta is proud to serve as a community leader committed to ensuring the safety and security of Jewish ATL and beyond. When Israel was attacked, we responded with the generosity of thousands of donors and more than \$12.5 million to address the most critical and immediate needs of the Israeli people. When our local institutions reached out with security concerns following October 7th, we responded by allocating money for additional security personnel at our day schools, synagogues, and institutions to ensure that community members felt safe leaving their homes to learn, pray, and gather together. And at our local colleges, we will continue to work with our campus partners to ensure that Jewish students are protected, that their learning is not disrupted, and that our security team is ready, willing, and able to assist."

-Beth Arogeti, Chair of the Board
