

# We Are Jewish ATL.

## With Strength. With Pride. With Purpose. As One.

**Jewish Federation**  
of Greater Atlanta

Generations before us carried the torch of Jewish life in Atlanta with resilience, unity, and vision. Today, that responsibility is ours.

Together, As One, we protect what matters, uplift those in need, and build a Jewish future we can all be proud of.

**This is your community.  
This is your moment.**

## Jewish Strength Starts with You.

In today's world, Jewish life is being tested like never before. But your response—and the pride you inspire—is stronger than fear.

You are part of a community that stands tall. Because of your generosity, we are proud of who we are, what we've built together, and how strong we are—for each other and for our future.

When you give to Federation, you're not just supporting Jewish life—you're shaping it. For more than a century, your commitment has made Federation the backbone of Jewish Atlanta—the trusted institution that unites our people and moves our community forward.

Your generosity empowers us to act with urgency—caring for those in crisis, standing up against antisemitism, and strengthening Jewish life for generations to come. We are responsible for one another, and together, with you at the center, we are unstoppable.
