813

AVERAGE SCHOLARSHIP AWARDED

\$2,007

The Jewish Federation of Greater Atlanta's Camp Scholarship Program helps families in metro Atlanta with the cost of overnight camp tuition. Camp scholarships are based on financial need and are awarded by the Camp Scholarship Committee as a part of an anonymous review and allocation process. All applications and inquiries are confidential. Federation recognizes the additional constraints of sending a child with special needs to camp, and as such has a designated Special Needs Scholarship fund.
