

ATLANTA JEWISH COMMUNITY PROFESSIONAL HIGH SCHOOL TUITION GRANT

ELIGIBILITY CRITERIA

ELIGIBILITY CRITERIA

1. Students who meet eligibility criteria who are *currently* enrolled or who earn acceptance and enroll at a Cognia or SAIS accredited Jewish high school in Atlanta are eligible to receive the Grant.
2. Admissions and enrollment criteria are up to the discretion of each of the three participating Atlanta Jewish high schools — Atlanta Jewish Academy, The Weber School, and Temima, The Richard & Jean Katz High School for Girls. Being eligible for the Grant does NOT guarantee admission or enrollment to any of these high schools. If a student enrolls mid-year, they may be eligible for a pro-rated Grant, pending availability of funds.
3. Eligible students apply for the JCP High School Tuition Grant as part of the admissions and/or tuition assistance process at each eligible high school.
4. The JCP High School Tuition Grant stays with the child for all the years the child attends and is in good academic standing in a Jewish high school in Atlanta. If the child changes Jewish high schools in Atlanta, they are eligible to keep the Grant if *all* other eligibility criteria are met.
5. At least one parent or guardian must be a *year-round* metro Atlanta resident *and* a full-time employee (working a minimum of 32 hours per week) at a Jewish non-profit organization as defined below. Each school must provide verification at the beginning and middle of the school year.
 - The child(ren) of a part-time employee working a minimum of 32 hours per week at a maximum of two different organizations is eligible to apply. Full-time teachers are considered year-round employees, pending school verification.
 - Children of contract employees are not eligible for the JCP High School Tuition Grant.

- If the employee resigns or is terminated, the Grant will continue through the end of the semester in which the employee is terminated.
 - If a student is *currently* enrolled at an eligible high school and the parent or guardian's employment at a qualified Jewish non-profit organization begins mid-year, the student may be eligible to receive the Grant the *following* school year.
6. For purposes of this Grant, subject to the policies of the Jewish Community Education Fund Committee ("the Committee"), a Jewish non-profit organization may include:
 - Jewish Federation of Greater Atlanta or an affiliate agency, grantee, or partner
 - Metro Atlanta synagogue
 - Metro Atlanta Jewish day school
 - Jewish overnight or day camp
 - National Jewish non-profit organization
 - AIPAC and Israel consulate
 - Any other not-for-profit entity approved by the Committee

NOTE: To be eligible for the JCP High School Tuition Grant, a professional must work for a Committee-approved not-for-profit Jewish organization that has been in existence for a minimum of three (3) years.

7. Recipients of the JCP High School Tuition Grant are eligible to apply for additional tuition assistance through the school. Tuition assistance decisions are made by participating high schools.
