Richard Kopelman

CEO, Aprio

richard.kopelman@aprio.com

Richard Kopelman is redefining what it means to lead a modern accounting and advisory firm as CEO of Aprio. Since taking the helm in 2013, he has propelled Aprio into the top 25 nationally—ranking No. 24 on *Accounting Today's* and *Inside Public Accounting's* Top 100 Firms lists—while earning recognition on *Forbes'* Best-in-State CPAs list and being named to *Accounting Today's* Top 100 Most Influential People in Accounting. Richard's vision has driven Aprio's transformation from a single office to more than 40 locations across the U.S. and globally, fueled by more than 45 strategic acquisitions and significant investments in technology and AI. Guided by the firm's 31 Fundamentals, his leadership has shaped a people-first, tech-forward business advisory and accounting firm built for sustained growth and the future of the profession.
