

IMPACT REPORT

Responding to the emergency in Ukraine, Jewish Atlanta raised more than \$2.6 million to assist those directly impacted by the war. Working with our partners Jewish Federations of North America, Jewish Agency for Israel, and the Joint Distribution Committee, North American Jewish communities provided \$73 million. These dollars have made real impact.

Moving from the emergency phase, we are now working with our overseas partners to focus on the following four elements:

- Rescue and Aliyah for those remaining refugees seeking to resettle in Israel
- Helping the thousands who have come to Israel with their long term absorption
- Aiding and strengthening Jewish communities in Europe impacted by the crisis
- Rebuilding Ukrainian Jewish communities and their lives in the aftermath of such a devastating war
